

FEDERAL ELECTION COMMISSION  
WASHINGTON, D.C. 20463

RQ-2

September 7, 2015

PAUL BREAZEALE, TREASURER  
MISSISSIPPI REPUBLICAN PARTY  
P. O. BOX 60  
JACKSON, MS 39205

**Response Due Date**

**10/13/2015**

IDENTIFICATION NUMBER: C00084368

REFERENCE: JULY MONTHLY REPORT (06/01/2015 - 06/30/2015)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. Schedule B of your report discloses a reimbursement(s) to an individual(s) for the following apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500: "travel reimbursement".

When the reimbursement amount to an individual for travel and subsistence advances exceeds \$500, the payments by an individual that make up the reimbursement may have to be itemized. For example, if the related payment(s) to any one vendor by an individual aggregates in excess of \$200 for the calendar year, the payment(s) must be itemized as a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information and clearly identify on the Schedule B, which reimbursement each memo entry relates to. If itemization is not necessary for a particular reimbursement to an individual in excess of \$500, you must clarify this in an amendment to this report. (11 CFR §104.9 and Advisory Opinion 1996-20, footnote 3)

2. On Schedule H1 of your report, you have checked an incorrect fixed percentage for your allocated federal and non-federal administrative, generic voter drive and exempt activity costs. The fixed percentage for these costs is based on whether a Presidential and/or a Senate candidate appear on the State's ballot. Please amend your report to include a corrected Schedule H1 and note

that a change in this ratio may make it necessary to repay your non-federal account for any overpayments that may have been made. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration. (11 CFR §106.7(d)(2) and (3))

3. Please amend your report by providing the address for each disbursement itemized on Schedule(s) H4 supporting Line(s) 21(a). (11 CFR §§104.3(a)(4) and 104.10(4))

4. On Schedule H4, your allocated activity or event year-to-date total calculations for the fundraising category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals. (11 CFR §§104.10(b)(2) and 104.17(b)(1)(ii))

5. Your May Monthly (4/1/15-4/30/15), June Monthly (5/1/15-5/31/15), and July Monthly (6/1/15-6/30/15) Reports combined, disclose limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, **rent**, utilities, salaries, telephone service, office equipment and supplies. Each state, district or local party committee utilizing separate federal and non federal accounts is required to allocate any administrative expenses (excluding salary) between the accounts according to a fixed percentage selected on Schedule H1. A Schedule H1 must be filed with the first FEC FORM 3X filed at the beginning of each calendar year. Payments for salary and wages for employees who spend more than 25% of their compensated time on Federal election activities or on activities in connection with a Federal election must be made from a federal account and disclosed on a Schedule B supporting Line 30(b) of the Detailed Summary Page. (11 CFR §106.7)

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in kind

contribution from that person, and would be subject to the disclosure requirements of 52 U.S.C. §30104 (formerly 2 U.S.C. §434(b)(3)) and 11 CFR §104.13, and the limitations and prohibitions of 52 U.S.C. §§30116 and 30118 (formerly 2 U.S.C. §§441a and 441b). Payments to a consulting, law or accounting firm will be considered acceptable for salary.

Clarification regarding administrative expenses should be provided during each two year election cycle beginning with the first report filed in the non election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

- Schedule H4 discloses activity which is paid for with 100% federal funds. For future filings, please be advised that any activity which is financed entirely by the federal account (including administrative expenses), should be reported on Schedule B supporting Line 21(b). Any activity which is 100% non-federal and permissibly financed entirely by the non-federal account, should not be disclosed on the FEC Form 3X (11 CFR §104.17)

For your information and consideration when preparing future filings, state, district and local party committees that make expenditures and disbursements in connection with both federal and non-federal elections for activities that are not federal election activities pursuant to 11 CFR §100.24 may use only funds subject to the prohibitions and limitations of the Act, or they may allocate such expenditures and disbursements between their federal and their non-federal accounts. (11 CFR §106.7(b))

State, district and local party committees may pay administrative, generic voter drive and exempt activity expenses from their federal account, or allocate between their federal and non-federal accounts according to a fixed percentage selected on FEC Schedule H1, except for activity directly attributable to a clearly identified candidate. Such expenses must be paid from the federal account only. (11 CFR §106.7(c)(2))

Schedule H2 is used by all political committees to report the allocation ratios of their joint federal and non-federal fundraising events and direct candidate support programs. Schedule H2 is filed with each report that discloses a disbursement for allocated activity. Schedule H3 is used by all political committees to report transfers received by the federal account from the non-federal account(s) to pay the non-federal share of allocable expenses.

Any expenditures made on behalf of both federal and non-federal candidates (including in-kind contributions, independent expenditures and coordinated expenditures) must be allocated between your committee's federal and non-federal accounts. Schedule H4 is used by all political committees to report payments for allocable expenses. (11 CFR §106.1(a))

For your next filing, please refer to the instructions for each line and schedule when determining the proper categorization(s).

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1157.
